Re: P.R.C. o.b.o. herself and her child G.G.C. v. N.Y.C. Dep't of Educ., et al.
 15 Civ. 6851 (AKH)

Dear Judge Hellerstein:

I am both the Parent and Attorney, representing myself and my minor daughter, G.G.C. in the above-referenced matter. I am writing to respectfully request an extension of time to respond to the Defendants' Motion to Dismiss the Parent's Complaint ("Motion"). The response to the Motion is currently due on November 20, 2015. Your honor has granted one three week extension prior.

As I am currently representing myself, I would like to time to consult counsel on the Defendants' motion and decide whether I will need to obtain legal representation moving forward. Further, I am not admitted to the Southern District and my application to proceed *pro hac vice* has not yet been approved. Therefore, I am respectfully requesting that the response papers now be due on December 21, 2015. Defendants' counsel has agreed to this request for an extension of the time and requested that her response be due on January, 8, 2016, to avoid the holidays, which I have consented to.

Thank you for your consideration of this request.

Respectfully,
 s/
